E-Quiz on Empower your Computeracy

The E-Quiz "Empower your knowledge and skills in Computeracy" was held on 7th and 8th June, 2020 by the Department of Computer Science which is related to the basics of computers. The aim of this quiz is to gain knowledge by creating interest to enhance the skills in computers. Using computers made a revolution in an advanced way which influence in learning English.

This E-quiz was organized for the students, Research Scholars and Faculty members of different colleges and universities through Google Form. A total number of 156 participants took part and received Ecertificates.

This online quiz was designed to create interest in the subject and to improve their skills. The use of computers is very important in our daily life. Computers are used to convert raw facts and data into meaningful information & knowledge. It helps the students to find jobs in the companies who need people that are able to operate computers. This program was organized under the guidance of the Principal, K.Murali Krishna, and Ch .Usha Rani, the HOD of Computer Science.
