## **Company Law E-Quiz**

*A Company is a distinct entity. It has a pool of people who may be investing into it and are availing its products and services. It functions as a larger figure than a mere transaction or a contract. In order to ensure the smooth functioning of a business enterprise, certain laws are framed which uphold the transparency and accountability towards its shareholders and are called as Company Laws. The students who learn it as a subject in the curriculum must be familiar with all aspects of the Company Law. The teacher always puts an effort to make the concepts understandable to the students.*

*The E-quiz is such an attempt to educate the students and make them skillful with the subject knowledge. The E-Quiz was conceptualized by R. Sumani, Lecturer in Commerce. The quiz was kept open for the participants for two days on 14<sup>th</sup> and 15<sup>th</sup> of July 2020. The quiz was ventured by students, Research Scholars and Faculty members.*

*The E-quiz has received expeditious response from 558 participants. The participation has covered 12 states of India which surged the demand for such innovative approaches. Principal Sri K. Murali Krishna and HOD, Dr.D.Venkaiah have supported and guided the coordinator throughout the event.*
