National Level E-QUIZ

The Department of Electronics has organised E-Quiz at the National level on 17th & 18th June 2020 for Research Scholars, Faculty and the students in the subject, Digital & Analog Electronics, a classic way of differentiating electronic circuits based on the signals by using the Google form.

Electronics has become a necessity & an essential need for all around the world. The quiz facilitates to test the level of Electronics competency & enhancement of the skills. The successful participants that scored above 50% have received the e-certificate. The total number of participants were 264.

The main purpose of the quiz is to acquire the knowledge in Digital and Analog Electronics.

The quiz was held under the guidance of the Principal, K. MuraliKrishna and the coordinator, Sara Begum.
