Commerce E-Quiz

“Never regard study as a duty but as an enviable opportunity to learn to know the liberating influence of beauty in the realm of the spirit for our own personal joy and to the profit of the community to which our later works belong.”

The teacher always tries to instill the students to enjoy the subject and expertise the concepts by applying various techniques. It is also the teacher’s responsibility to enlighten the students with updated knowledge. The Commerce department of G. Pulla Reddy Degree & P.G. College deliberately featured the Online Commerce Quiz to refine the Commerce knowledge of the students. The quiz was released by the Principal, Sri K. Murali Krishna on 2nd June 2020. The quiz was ventured by students, Research Scholars and Faculty members. The main intention behind the quiz is to liaise with the student community and make them aware of the main concepts of Commerce.

The E-quiz has received expeditious response from 285 participants. The participation has covered various universities across India which surged the demand for such innovative approaches. The quiz was coordinated by Dr. D. Venkaiah, HOD of Commerce department. The department expressed its gratitude to the Principal Sri K. Murali Krishna and the Management for the support and encouragement in this holistic initiative.
