National Level Mathematics E-QUIZ on Linear Algebra, Solid Geometry, Vector Calculus & Numerical Analysis

The Department of Mathematics has organised E-Quiz on Linear Algebra, Solid Geometry, Vector Calculus & Numerical Analysis on 29th, 30th & 31st July 2020.

Linear Algebra is used in most sciences and fields of engineering because it allows modeling many natural phenomena and computing efficiently. Numerical Analysis, the area of mathematics and computer science creates, analyses and implements algorithms for obtaining numerical solutions to problems involving continuous variables. Such problems arise throughout the natural sciences, social sciences, engineering, medicine and business.

In order to encourage the students, research scholars and faculty, E-quiz was organized through Google form. A total number of 183 participants attempted the quiz from different states. E-certificates were also issued to the participants.

The program was coordinated by B.Bhumeshwar and the HOD of Mathematics, Smt V. Srilakshmi under the guidance of the Principal, K. Murali Krishna.

**G. PULLA REDDY
DEGREE & P.G. COLLEGE**
(Affiliated to Osmania University)-Estd.1994
Mehdipatnam, Hyderabad-28.

**NATIONAL LEVEL MATHEMATICS E-QUIZ ON
LINEAR ALGEBRA, SOLID GOEMETRY, VECTOR CALCULUS
& NUMERICAL ANALYSIS**

**The Department of Mathematics Cordially Invites Faculty Members,
Research Scholars, P.G. & U.G. Students to Participate in National Level
E-Quiz to enhance your knowledge**

Date :- 29th to 31th July, 2020.

FREE REGISTRATION

≥ 50% E-Certificate
