## **National Science Day 2021 – Inter College Competitions**

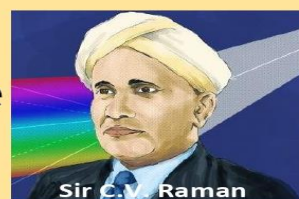

*The department of Physics celebrated National Science Day on 1<sup>st</sup> & 2<sup>nd</sup> March 2021 to commemorate Sir C.V. Raman's discovery of Raman Effect for which he was awarded the Nobel Prize in 1930. The theme for National Science Day 2021 is "Future of STI: Impacts on Education Skills and Work". The National Science Day aims to motivate the students to gain hands-on experience in the field of Science and bring awareness to people about the significance of Science in daily life and to encourage them by popularizing Science and Technology. On eve of National Science Day, the Department of Physics conducted inter-college competitions on Article Writing – Role of Science in Daily Life and Seminar Presentation – Recent Advances in Science and Technology. Around 110 students from six colleges were participated in the inter college competitions and won the prizes.*

*The judges appreciated students for their innovative output showed in article writing and seminar presentation. The chief guest for this program was Dr. B. Madhava Reddy, Principal, G. Pulla Reddy College of Pharmacy. He has given inspirational speech on science and technology. Dr. K. Murali Krishna, Principal, G.*

Pulla Reddy Degree and P.G. College spoke about the creative skills of the students and congratulated all the students for the excellent participation in the inter college competition. All the faculty members of Physics Department and students of GPRDPGC and various colleges actively participated in National Science Day – Inter College Competitions.
