Workshop “Mobile App Development”

To enrich the students' knowledge, the Computer Science Department along with the students attended a three-day workshop on mobile app development, which was hosted by the Computer Science and Electronics Department at St. Francis Women's College in Begumpet. This curriculum has aided our students in honing their skills in designing mobile apps that they are passionate about. This hands-on approach allows students to have a more thorough educational experience.

Mrs. Ch. Usha Rani, HOD of Computer Science and Mrs. K. Madhavi, Lecturer in Department of Physics of G. Pulla Reddy Degree & P.G College have attended 3 days workshop from 8th March 2022 to 10th march 2022.
