Webinar Report on “Java Programming”

As part of mutual exchange of Lectures, the Department of Computer Science organized a Webinar on “Java Programming” on 19th February 2022 using Zoom App. The Guest Speaker on the subject is Mrs. B. Jyothi Reddy, Lecturer in St .Francis Women’s College, Begumpet. The presentation started with an introductory and welcome speech given by Mrs. Ch. Usha Rani ,HoD of Computer Science department. The talk on the subject topic “Java Programming” was delivered by Mrs. B. Jyothi Reddy.

All the B.Sc and B.Com Students have attended an online webinar and gained extra knowledge in the subject. A Vote of Thanks was given by Mr. K. Shiva Krishna, Lecturer in Department of Computer Science.

Students have shown great interest in attending this program and have expressed that they would like to have further programs of this kind.
