Report on National Science Day 28-February-2022

National Science Day is celebrated every year on February 28, the day when C.V.Raman discovered the Raman Effect in 1928 which helped him in winning the prestigious Nobel Prize in 1930. The theme for National Science Day 2022 is "Integrated Approach in Science and Technology for sustainable Future".

Department of Physics organized a webinar to mark the occasion of National Science Day and with the objective to create awareness amongst students. Zoom platform is used to organise the event.

The Speaker of the session :-

Prof.M. Siva kumar

School of Physics

University of Hyderabad.

The program Started with an opening remark delivered by the Principal Dr.K.Murali Krishna followed by welcome address by Y.Anantha Lakshmi coordinator of the event .The webinar was attended by around 60 participants .It was very fruitful, informative and Inspiring webinar delivered by the speaker Prof. M. Siva Kumar and we are sure that it fulfilled the purpose of celebrating National Science Day.

The session ended with vote of thanks by coordinator Y.Anantha Lakshmi from the Department of Physics .
