REPORT ON CLIMATE CLOCK ASSEMBLY

G. Pulla Reddy Degree & PG College students has actively participated in “World largest Global Climate Clock Assembly and display” event conducted by Energy Swaraj Foundation jointly with Atal Innovation Mission (AIM)-NITI Aayog and All India Council of Technical Education (AICTE) on 22nd, April, 2023 on the occasion of Mother Earth Day.

G. Narayanamma Institute of Technology and Science, Shaikpet, Hyderabad, Telangana has organized a climate clock assembly and display which is a part of the event taking place in New Delhi by Energy Swaraj Foundation and invited our college students.

The workshop is conducted in the seminar hall with all the gathering of other college.

The programme started at 8:30 am by addressing the Energy Swaraj Foundation literacy regarding the climate changes with the projection held in New Delhi.

The faculty of G. Narayanamma Institute of Technology & Science have made the students into groups and assembled the climatic clock which shows the existence of life on earth with years, minutes, second for 1.5°C in temperature on the earth.

In this program students were enthusiastic and excited to assemble the electronic devices for making the climatic clock. Energy Swaraj is a public movement started by Prof. Chetan Singh Solanki is a professor at referred as “Solar Man Of India” by “Times Of India”. Energy Swaraj Movement is a stepping stone towards energy access, energy sustainability and climate change migration.

This workshop has made the students to know the global changes and awareness in the society toward the environmental cause. The program ended by the assembling of climate clock successful by 1:30 pm with full of inspiring minds in students towards Energy conservation to Mother Earth.
