BLOOD GROUPING CAMP

G. Pulla Reddy Degree and PG College has organised Blood grouping camp on Date 03-Nov-2023 at our college NSS unit with the technical collaboration of NIGL Blood centre. This camp was inaugurated by Principal at 11:00 AM. All the Degree students have taken the initiative and managed to familiarise themselves with their Blood grouping through this camp. This information is very crucial for issuance of ID cards and update their personal profile too.

On this occasion the Principal, Vice principal, NSS PO and other staff members are also encouraged by the students and actively involved in knowing their blood group as well.
