Department of Electronics

Educational Visit to INCOIS

The Electronics department comprises of 42 students from I,II,II B.Sc (M.E.Cs) undertook an enlightening educational field trip to the Indian National centre for Ocean Information Services on 6-10-2023. The primary mission of this visit was to delve into three key areas of interest. The Tsunami early warning centre, the operational ocean guide centre & interaction with scientists. Dr. N.Srinivas Rao, Scientist, INCOIS has explained in detail about INCOIS & its services. This unique opportunity of visit to INCOIS allowed students to gain valuable insights into ocean-related technologies & services, broadening their understanding of the field of electronics in the context of ocean science & information.
